CGTMSE / PMEGP / CMEGP

Project Financing

This service provides long-term funding for large-scale projects, such as infrastructure, industrial projects, etc. Long-term funding for large-scale projects, using the project's assets as collateral.

Term Loan

A term loan is a specific amount of money borrowed for a fixed period with a specified repayment, often used for capital expenditures, and the interest rate can be either fixed or variable.

Bank Overdraft

An overdraft facility allows businesses to Withdraw more money than is available in your account to manage short-term cash flow needs effectively.

Cash Credit/Working Capital

This service offers funding to purchase new or used machinery and equipment. It's essential for businesses looking to upgrade or expand their production capabilities.

Loans Against Property

This service offers funding to purchase new or used machinery and equipment. It's essential for businesses looking to upgrade or expand their production capabilities.

Housing and Vehicle Loans

Housing loans provide funding to purchase or construct a home, while vehicle loans offer finance for buying personal or commercial vehicles.

Unsecured Loans

Unsecured loans do not require collateral and are based on the borrower's creditworthiness. These loans can be used for various purposes, such as debt consolidation, small business needs, etc.

CGTMSE/PMEGP/CMEGP

- **CGTMSE:** This scheme provides credit guarantees to banks and financial institutions for loans extended to micro and small enterprises without the need for collateral.
- **PMEGP:** This program provides financial assistance to set up new self-employment ventures/projects/micro enterprises.
- **CMEGP:** Similar to PMEGP, this state-specific scheme aims to generate employment opportunities through financial support for new businesses.

Personal Loans

These are unsecured loans provided to individuals based on their income, credit history, and repayment capacity. Personal loans can be used for various personal expenses, such as medical emergencies, weddings, travel, etc
